Memo: Domain Pass List Request

To: IT Departments

From: Anti-Racism Virtual Summit 2021

To Whom It May Concern:

On October 26th and 27th, Social Work Helper, PBC will be hosting our Fall Anti-Racism Virtual Summit. We use various systems to provide support, streaming services, and hosting to make our virtual summits work.

You are receiving this request because someone from your organization or university will be attending our Summit. We want to make every effort to ensure their access is not blocked by your organization's security protocols. Here are the email addresses we would like pass listed for your systems.

noreply@swhelper.org

support@swhelper.zendesk.com

Due to our safety and security protocols, registrants can not get access to our systems without receiving their verification emails. Login is only accessible via magic links as a result of hacking and attacks by white supremacist groups. We take our security very seriously. If an attendee is unable to access due to blocking by their organization, they are not entitled to a refund.

Please, contact us at support@swhelper.zendesk.com if you have any questions regarding this request.
